RECORD BREAKING VOTE INDICATED

Full Vote Expected Because of Keen Interest Felt by People Everywhere.

The "midday" reports from every quarter indicate a nation-wide record-breaking vote. Thirty-three states are voting for governor and thirty-six for legislatures which will fill vacancies in the United States senate. New York and Massachusetts broke the early voting records. The heaviest vote is in the Middle West. Political leaders are figuring on a landslide. They say the result of the presidential contest will be known by 9 o'clock tonight, while others think it will be midnight or later before the winner is known.

BRYAN VOTE LIGHT.

At 1 o'clock today only 92 votes had been polled at the city hall and the same number at the courthouse. This indicated a light vote, though later in the day the voters may have turned out in greater numbers.

RAIN FALLS IN TEXAS FOR ELECTION DAY.

[By Associated Press.] Dallas, Texas, Nov. 5.—A light early vote is reported from many points in Texas because of rain which is falling in the northern and central parts of the state, with cloudy weather reported from other sections, pointing to rain in over half of the state. It is expected a full vote will be cast before the polls close because of the intense interest generally.

There was considerable activity among the progressives in the early voting, while the democrats report prospects of a good vote.

The vote over the state increased later in the day, but the only points reporting heavy votes were counties where the election is hotly contested locally. The republicans and progressives are reporting a full vote, but there is no indication which of the two is leading.

Taft Carries First Box Reported. [By Associated Press.] Boston, Mass., Nov. 5.—Taft carried Acushnet, the first town in the United States heard from today. The vote

was Taft 104, Wilson 52, Roosevelt 50. In 1908 the vote was Taft 118, Bryan 12.

Voted Early in New York.

[By Associated Press.] New York, Nov. 5.—In this city the vote turned out early. Many districts reported half of the vote polled by 9 o'clock.

MEXICANS GUARDING POLLS AT SAN DIEGO

Americans Indignant and Say the Factional Fight is Unnecessary.

[By Associated Press.] Corpus Christi, Texas, Nov. 5.—Twenty Mexicans armed with rifles were placed just outside the polls to guard the election officers at San Diego. The Americans are indignant and say it is unnecessary. The factional fight over the county offices there is being hotly contested.

"THE WORLD IS MINE"

This was the triumphant cry of Edmund Dantes while battling with the angry waves that tossed about his prison house. He exorcised his enemies by the power of wealth untold. This great three-reel drama from the novel by Alexander Dumas will be shown in all its exciting and thrilling splendor at the Dixie this afternoon and tonight.

SANDERS-HENRY.

Saturday afternoon at 5 o'clock Rev. Sam Buchanan at his home on East Caldwell street united in marriage Mr. Alfred Sanders of Cameron and Miss Ona Henry of the Thompson Creek community. The young man has been in this section for several months and has won the respect and regard of all, for a personal acquaintance inspires confidence in his ability and integrity. The young lady is widely known by her sweet disposition and lovable character. She was reared near Bryan and the many friends of the young couple rejoice with them in the happiness which is their portion.

EAGLE TO GET FULL ELECTION RETURNS

Special Leased Wire has been Cut Into Office and Mr. W. W. Harris will Preside at the Key. Everybody Invited.

The Eagle is glad to announce to the people of Bryan and Brazos county that it has perfected all arrangements to receive the full election returns tonight. Our arrangements are more perfect, and on a much larger scale than was ever attempted in Bryan before. We will get the full returns just as they get them in the larger cities, and will be able to give all who are interested the returns from every part of the United States just as fast as the votes are counted.

We have arranged with the Western Union Telegraph Company for a special leased wire which has been cut direct into The Eagle office, and Mr. W. W. Harris, head of the Western Union office here, will preside at the key.

In addition to the returns as compiled and furnished by the Western Union Telegraph Company, we will also receive the exclusive service of the Associated Press, and this report will likewise be received in The Eagle office over its leased wire.

The bulletins are expected to begin arriving soon after the polls close and continue all night, or until the result is known beyond all question. As fast as they are received they will be read in the hearing of all present and then posted on our bulletin boards.

Everybody in Bryan and Brazos county is invited to come to The Eagle office tonight and get the returns. We realize the keen interest felt by all in the result, and that they may know the result at the earliest possible moment, is the motive actuating The Eagle in going to the expense, and the vast amount of work necessary to get the full reports.

Everything possible for the comfort of the crowds will be done. Come and be our guests for the evening.

BULGARIAN REINFORCE- MENTS TO THE FRONT

Macedonians and Russia's Joining Them—Sofia Hospitals Crowded with the Wounded.

[By Associated Press.] Sofia, Nov. 5.—Reinforcements continue to proceed to the front from the Bulgarian capital. Eight battalions of volunteers, including many Macedonians and Russians, are entrained. Fighting still continues near Serx and Tichoblu, where the Turks and Bulgarians are engaged in battle. Nothing has been published here in three days. The Sofia hospitals are crowded with wounded soldiers.

EUROPE CONSIDERING DIPLOMATIC SITUATION

[By Associated Press.] London, Nov. 5.—In the absence of news of fighting in the Balkans, Europe is considering the diplomatic situation. Although all the powers have not replied to Turkey's appeal for mediation, it was nowhere received in the form of a petition, and a more definite request from Turkey, it is expected, would likely have received more consideration. The powers can not, however, overlook the Balkan nations' demand that Turkey must deal directly with them.

Nothing has been heard today from the Turks at Tchatalja. They are in a bad condition. Thousands dropped from the ranks exhausted for want of food, and many threw away their rifles.

A combined attack on Saloniki by Greeks, Servians and Bulgarians is expected soon.

Another Battle On.

[By Associated Press.] London, Nov. 5.—It was officially announced in Constantinople today that fighting has begun between the Bulgarians and Turks at the Tchatalja forts. The result was not stated.

Marriage Licenses.

James Monroe and Ruby Williams. Henry Turner and Levena Elam. Sampson Mathews and Beatrice Thomas. Harrison Felder and Eva Kinnard. Lewis Logan and Laura Maxie. Isaiah Baldon and Effie Thompson. Ab Admondson and Emma Riddenhouse.
